

# Machine Learning

Lab Session 1

Filippo Miatto, Nedeljko Radulovic

# Setting up the environment

- Install Jupyter:
  - <https://jupyter.org/install>
- Install scikit-learn:
  - <https://scikit-learn.org/stable/install.html>
- Install numpy and scipy:
  - <https://www.scipy.org/install.html>

# Lab

- Follow the instructions in jupyter notebook and complete the tasks.
- Submit your solution by sending it to [filippo.miatto@telecom-paristech.fr](mailto:filippo.miatto@telecom-paristech.fr) until 16th of October, in form of:
  - Jupyter notebook
  - Pdf version of the notebook
